WORK EXPERIENCE

Tata Consultancy Services
Citizen Service Executive

2023 - PRESENT

Worked at Passport Seva Kendra under Tata Consultancy Services in a government compliance environment, handling passport applications, KYC verification, data entry, and customer support. Experienced in managing records, maintaining accuracy, and supporting daily operations using MS Excel and administrative skills.

Key Responsibilities:

- Processed and verified 50-60 passport applications daily with high accuracy and efficiency.
- Performed KYC verification using Aadhaar Card, PAN Card, Voter ID, Driving License, and Passport documents.
- Entered, validated, and maintained applicant records in secure government systems.
- Ensured compliance with documentation standards and verification procedures.
- Managed sensitive customer information with confidentiality and professionalism.
- Resolved applicant queries and provided end-to-end customer support during application processing.
- Maintained accurate records and minimized documentation errors through careful review processes.
- Coordinated with internal teams to ensure smooth workflow and timely application handling.
